

Case Study

Challenge:

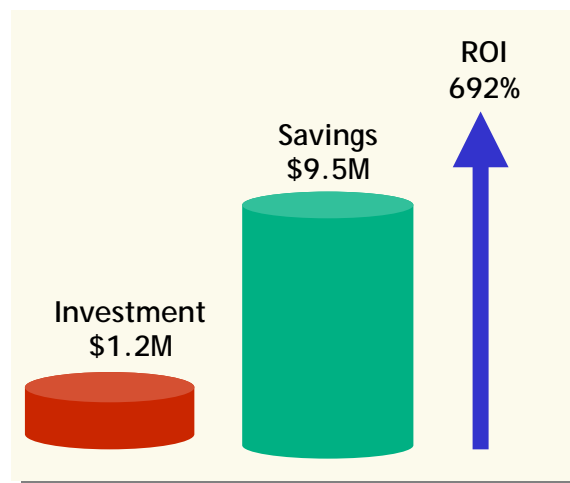

- Largest generic drug manufacturer in the world
- Had 12 months to close a US facility

EquipNet Solution:

- Evaluated, cataloged and made redeployment and sales recommendations for all equipment
- Project managed the following:
 - Redeployment
 - Direct sales
 - Live/webcast auction
 - Facility cleanup

Results:

- Redeployed 646 machines saving \$7.6M
- Sold over 1,100 machines totaling \$1.9M
- Total Project ROI 692
